The joint accounts information must reach to our Shares Registrar within 10 days of this notice. The purpose of this statement is to set forth the material facts concerning such Special Businesses:

Agenda Item No. 5 & 6 of the Notice

The related parties transactions carried out in normal course of business with associated companies and related parties were being approved by the Board of Directors as recommended by the Audit Committee on quarterly basis pursuant to Section 208 of the Companies Act, 2017 and Regulation 15 of the Listed Companies (Code of Corporate Governance) Regulations, 2019. However, the majority of Company Directors were interested in these transactions due to their common directorship and holding of shares in the group companies, the quorum of directors could not be formed for approval of these transactions pursuant to Section 207 of the Companies Act, 2017 and therefore, these transactions have to be approved by the shareholders in General Meeting as a special resolution in terms of section 208 of the said Act.

The transactions with related parties carried out during the fiscal year 2023-2024 to be ratified as disclosed in Note No. 44 of the Financial Statements of the Company for the year ended June 30, 2024

Likewise, since related party transactions are an ongoing process and a restriction to carry out business with related parties merely due to absence of valid quorum would adversely affect the business of the Company. Therefore, shareholders are being approached to grant the broad approval for such transactions to be entered into by the Company, from time to time, at the discretion of the Board (and irrespective of its composition affected due to majority of Board members are interested in any agenda item). The Company shall comply with its policy pertaining to transactions with related parties as stated above to ensure that the same continue to be carried out in a fair and transparent manner and on an arm's length basis. This would also ensure compliance with the Section 208(1) of the Companies Act, 2017 of which requires that shareholders' approval shall be required where the majority directors are interested in any related party transactions and regulation 4 of the Companies (Related Party Transactions and Maintenance of Related Records) Regulations, 2018 which sets out the conditions for transactions with related parties to be characterized as "arm's length transactions" and states that the parties to the transaction must be unrelated in any way.

Further, it is not possible for the Company or the directors to accurately predict the nature of the related party transaction(s) or specific related party(ies) with which the transaction(s) shall be carried out. In view of the same and in order to ensure smooth supply during the year, the Company seeks the broad approval of the shareholders that the Board may cause the Company to enter into transactions with related party / parties from time to time in its wisdom and in accordance with the policy of the Company for the fiscal year 2024-25.

All such transactions will be clearly stipulated at the end of the next financial year in the company's Annual Report. In however addition to this all such transactions shall also be placed before the shareholders in the next General Meeting for their noting approval/ ratification

The Directors are interested in these resolutions only to be extent of their common directorship and shareholding in the associated companies.

Directors Interest:

The Directors do not have any interest in the Special Business, whether directly or indirectly, except to the extent of their shareholding in the Company.
